2x only: You have me, I have you, And we have our dreams too

A tempo

Look at your face, so much to live for, but caught in this place, But
My wish for you, nev-er for-get that dreams can come true, So

9

we can fly, soaring free,

don't be frown, be strong,
be who are,

11

and look down from the stars May-be to - day

It takes a life - time to found out where you be - long. May-be to - day
Nev-er stop try - in' to reach for the high - est star.
